

## Private equity

# Innovative solutions for your investment approach

Our experts stand out for their great reputation, first-class legal competence and long experience in the transaction and equity holdings business. As a result, we are in a position to support you, especially in the case of time-critical, sensitive and highly complex projects, and ensure that these projects are completed within the planned time and budget framework. Private equity companies, investment funds and law firms trust us equally and work together with us in due diligence processing, creating legal factbooks or M&A negotiations.
