

## Isabell Flöter

Attorney  
Counsel

## Expertise

Isabell Flöter advises national and international companies and executives on all matters of individual and collective labor law, both in and out of court. One focus is on works constitution and collective bargaining law. She is experienced in handling employment protection disputes and corporate transactions as well as in drafting and drafting employment, amendment, settlement and termination agreements. One of Isabell Flöter's special areas of expertise is HR compliance regarding sustainability aspects. She regularly publishes in professional journals on this topic and is a member of the focus group "ESG" (Environmental Social Governance) at KLIEMT.HR.
