Equal Pay for Equal Work? Fair Pay in Germany

Why It Makes Sense to Review Your Pay Structures Now

Germany is entering a decisive phase in implementing the **EU Pay Transparency Directive**, with national legislation expected in early 2026. At the same time, the **Federal Labor Court** has issued some landmark rulings that significantly raise the bar for remuneration issues.

This webinar will provide a succinct and actionable overview of:

- The latest legal developments and what they mean for your pay structures.
- How to ensure compliance with the pay transparency rules.
- The works council rights in pay system changes and how they affect the process.
- The strategic use of salary increases in 2026.
